

"All Different, All Equal, All Achieving Together"
Include Respect Nurture Promote Innovate

" You could make a difference to a disadvantaged young persons life by giving a few hours of your time a Month?"

Can you bring a different way of thinking to our Academy?

Can you be challenging and professionally curious?

Do you have a passion for education and your community?

Can you help create a culture of inclusion?

We were looking for a mix of people from a variety of backgrounds with something to bring to the Trust and the time to give. Anyone aged 18+ can join us and you don't need to be a parent or have any special education experience.

HAVE YOU CONSIDERED BECOMING AN ACADEMY COUNCILLOR OR A TRUSTEE?

If you are the sort of person who does not need a big thank you for doing something extra, but will always have the satisfaction of helping the hardest to reach, then these opportunities of voluntary involvement may be for you!

If you are interested in becoming a Trustee or Academy Councillor, please contact Mr Peter Evans, Chief Executive Officer, at info@learnmat.uk or by telephoning 0117 456 6513.

We look forward to hearing from you!

Learn@ Multi-Academy Trust is a specialist Trust made up of 3 special schools for young people aged 5-19 years with Social and Emotional Mental Health Needs or Speech, Language and Communication Needs; and 2 Alternative Provisions for primary and secondary aged pupils who are on the brink of being permanently excluded from mainstream school.

Many people who look to being Trustees or Members look for the positive feedback of high student achievement, whereas in Learn@ MAT it is about helping and supporting the less privileged and young people who have extremely difficult starts in life. Some unfortunately go on to choose the wrong path in life, but we maintain our drive and commitment to give them the best education we can and the best support to make the right choices for their future.

What you can expect from us:

- Friendly and welcoming MAT
- Enthusiastic well-motivated colleagues
- Opportunity to train and develop different skills to grow yourself
- Chance to genuinely make a difference

Learn@ MAT is committed to safeguarding and promoting the welfare of children and young people and it expects its volunteers to share this commitment and undergo appropriate checks. We promote diversity and really want a governing body that reflects the local community.

If you've got the interest, motivation and a bit more time we are also looking for Trustees to join our team.

If you are interested in becoming a Trustee or Academy Councillor, please contact Mr Peter Evans, Chief Executive Officer, at info@learnmat.uk or by telephoning 0117 456 6513.

We look forward to hearing from you!
